

## PRODUCT SPECIFICATION

### AEROCARE 1-03N

**Bulk Sanitiser for both cleaning and sanitising of surfaces, utilising our 1-03 technology and neutral detergent.**

#### BENEFITS:

- **Suitable for cleaning/sanitising of most surfaces.**
- **Mild, Non Toxic, Non Irritant, Non Hazardous, Ecologically Harmless.**
- **High level of antimicrobial activity against all bacteria, viruses and fungi tested.**
- **Guarantees safety when used regularly, due to resistance to microbial recolonisation after application.**

#### DIRECTIONS FOR USE

For surface sanitising; activate by wiping evenly across surfaces with microfibre cloth. Reapply as required, using additional clean applicators until surface is clean and allow drying.

#### SAFETY

Use only externally.  
Keep out of reach of children.  
Do not get in eyes. In case of accidental eye contact, flush eye immediately with plenty of water for several minutes.

#### PHYSICAL PROPERTIES

<b>Appearance</b>	Pale coloured liquid
<b>PH Value</b>	7 ± 0.5
<b>Shelf life</b>	2 years
<b>Storage</b>	Cool but not below 3°C

#### ENVIRONMENTAL BEHAVIOUR

Aerocare 1-03N product is ecologically harmless. All active ingredients are harmless in flush water. The packaging is made from polyethylene and can therefore be exploited both materially and thermally.
